## ATHLETIC PARTICIPATION FEE 2015-2016

### Guidelines for the Registration Process

1. A **high school/ junior high** student-athlete will pay a one-time registration fee of \$75 for the entire school year to participate in the athletic program. There is a cap of \$150 that no family will exceed.
2. Any combination of family members in high school or middle school will be counted toward the \$150 maximum.

### Regulations and Limitations

1. The registration fee does not guarantee a student-athlete playing time. The coach will use strategies in contests just like he/she would in any normal game situation. The fee is used solely to defray the expenses of the athletic program.
2. Students who qualify for **Free and/or Reduced Lunches** will have the Participation Fees reduced as follows: **Reduced: \$50/student (\$100 family cap) and Free: \$25/student (\$50 family cap)**
3. If a student moves from the district, quits a team, or is removed from a team for disciplinary reasons, the athlete registration fee **will not** be refunded. Registration fees will also **not** be refunded for students who are academically ineligible.
4. If a student-athlete does not make an athletic team due to team/coach criteria (prior to the first contest) the registration fee **will be** refunded.
5. Registration fees and code of conduct forms for athletes will be due by:  
**August 20th** for high school fall sports  
**September 1st** for middle school fall sports  
**November 3rd** for middle school winter sports  
**November 24th** for high school winter sports  
**January 12th** for middle school girls basketball  
**March 22nd** for high school spring sports  
**April 12th** for middle school track

**Registration fees not turned in by the listed date will result in the student-athlete not being allowed to practice until fee is in.**

6. Registration checks should be made out to Carson City-Crystal Area Schools and must be returned to the high school athletic office. **Please do not give registration fees to the coach.**
